Terms & Conditions

1. As an incentive to complete a short excavation safety quiz and survey, UDig NY is entering qualifying respondents into a prize drawing for (1) \$250 gift card, to be awarded to one (1) survey respondent, who will be drawn by random selection.
2. A respondent must be 18 years of age or older on the date of submission and a resident of New York State to win, and UDig NY accepts the respondent's attestation on the survey that they are 18 years of age or older and a resident of New York State as verification thereof.
3. Only one entry is allowed per person, and submitting multiple responses may result in disqualification from the drawing.
4. Entries will be accepted from May 1, 2025, through June 12, 2025. The survey may remain open after that date, but responses will no longer be considered entries to win.
5. By providing an email address, respondents give permission for UDig NY to send email communication to that email address.
6. If a respondent is drawn as the winner of the gift card, UDig NY will notify the respondent using the email address provided by the respondent and request that the respondent provide a mailing address in New York State to receive the gift card at. If the respondent does not reply with a New York State mailing address within two business days, UDig NY reserves the right to void the selection and choose another winner from the existing pool of entries by random selection.
7. UDig NY will not send the gift card to a postal address outside of New York State.
8. The gift card is not refundable or transferable by UDig NY after it has been sent.
9. UDig NY may announce the winner of the contest on its social media channels.
10. Current employees of UDig NY are not eligible to win.
